## Swim Ulster General Meet Conditions

## This handbook should be read in conjunction with the latest Swim Ulster Competition Calendar which

 may be subject to change at any time.
## These General Meet conditions should be read along with the Meet Information for each Meet.

Entries - All entries for Swim Ulster Meets must be submitted using Hy-Tek Team Manager or Team Manager Lite software (except for some Swim Ulster Schools Championships entries, DSNI Swimming Championships \& Ulster Masters Championships). Electronic entries must be sent as an email attachment to admin@swimulster.net and should include an entry report, fee entry report and completed Summary Sheet. The Swim Ireland Registration number or equivalent for each swimmer must be included in the file.

Copies of the Team Manager Lite application can be downloaded free of charge from
http://www.hy-tekltd.com/downloads.html
Entries can be rejected for the following reasons:

- Incorrectly completed
- No Entry Time submitted
- Improved entries
- Received after the closing date - no late entries will be accepted

The Meet Director reserves the right to limit entries and merge events where numbers allow. If entries are rejected, the entry fee will be refunded, and a single payment will be made to the Club in question. The Swim Ulster office will email confirmation of accepted entries after they are received, and it is the responsibility of the Club's Gala Secretary / Coach to check these entries as no changes / additional entries can be made on the day of the Gala.

The Club must pay for all entries that are on the Entry Report at the Cut Off Time for withdrawals - this is normally 12 midday the Friday before the event. No refunds / credits will be made for withdrawals after this time other than in exceptional circumstances or unless supported by a medical certificate. Swim Ulster does not issue invoices for Gala Fees - Club Gala Secretary should pass the Entry Report to the Club Treasurer for payment.

Volunteer Rotas Volunteer Rota positions are assigned to Clubs based on the number of entries from each Club as at the closing date of the event. To ensure the smooth running of all Swim Ulster events parents are encouraged to volunteer as an official when their child is competing.

Fitness to compete Parents / Coaches must ensure that their swimmer is fit to compete in the Meet. If a swimmer must retire from a race or must be removed from the water due to being unwell, for safety reasons Swim Ulster will withdraw that swimmer from the remainder of the Meet.

Relay Sheets Relay Sheets are to be submitted to the Meet Director one hour prior to the start of the session in which the relay takes place.

Age Up Date The age up date will always be 31 ${ }^{\text {st }}$ December in the year of competition unless otherwise specified.

Swimmers must ensure that they are suitably clothed (Club t-shirt and shorts or tracksuit) when receiving awards. It is the responsibility of the Coach / Team Manager to ensure that medallists or a deputy be available for presentation as per the presentation schedule.

Over the top starts will be used wherever possible.

Preliminary Heats - unless specifically stated in the meet conditions, the placing of competitors in the heats will be multi-age, spearheaded and swum slowest to fastest. Heat Declared Winner Events - All heats will be multi-age, spearheaded and swum slowest heats to fastest.
Finals - Finalists will be allocated lanes using the spearhead principal from the results of the heats.

The session times on all Meet Conditions are provisional. Session timing will be finalised once all entries have been processed and swimmers / clubs will be notified accordingly. Please note that it is the swimmers' responsibility to present themselves, ready to swim, at the Marshalling area in good time prior to the start of the event.

Meet results will be posted on the Swim Ulster website within 72 hours of the end of the gala. Results will also be passed to Swim Ireland for their reference and inclusion in rankings. A Hy-Tek and PDF version of the results will also be sent to the registered Gala Secretary of each Club.

It is a condition of attending a Swim Ulster event that swimmers accept they may be photographed or filmed as part of the occasion, either as an individual or as a member of a group. Swimmers may also appear in a photograph or video inadvertently. Parents and swimmers must accept this. All photography and/or filming must be in accordance with Swim Ireland Guidelines.

## In House Skills Challenge 2023-2024

The purpose of the Skills Challenge is to offer clubs a Regionally and Nationally aligned Skills Assessment to encourage and develop a culture of technical development in the years that precede entry into Open competition. This provides athletes with a means by which to measure progress, other than Personal Best times, and identify areas for development.

Clubs may choose to run the Skills Challenge individually or in partnership with other local clubs and assessments can take place in whatever format works best for each club, provided the assessment protocols (page 3) are followed.

Assessment should take place during each cycle (September to December, January to April, May to July) with the best results submitted on completion of the assessments within each cycle.

Eligibility: Athletes born 2015 to 2011

Disabled Swimmers: Tests and test scores will, as far as is practical, be appropriately adapted
Results: Clubs should submit the full results (best results) in the supplied template to skillschallenge@swimireland.ie at the end of each cycle with the subject line REGION (CLUB). Results not completed and labelled correctly will NOT be processed. The Regional Pathway Development Coaches will process the results and return to the clubs along with a certificate template for distribution to the successful athletes.

Scoring: $\quad$ The total score is the sum of the five assessments carried out and a lower score relates to faster times and better skills.

| Gold 350pts | Silver 400pts | Bronze 450pts |
| :--- | :--- | :--- |

Awards: $\quad$ Athletes will receive a Skills Certificate following submission of the results at the end of the cycle. This will take approx. 21 days.

Following completion of the $1^{\text {st }}$ round of Skill Challenge assessments we will publish a ranking of the top 5 athletes per Region and Nationally to recognise their and their club's success.

## Gala Programme

Male and female swimmers will compete in mixed events.
All heats will be time banded, meaning that swimmers will compete against others of a similar standard.
Heats may be combined to provide a more competitive swim. This will be at the discretion of the gala organiser.

## Electronic Timing

- Electronic timing will be used at this year's Championships across all events.
- Manual timers will also be used as back up.
- All swimmers should be advised that in order for their time to be recorded they must firmly touch the centre of the pad at each end for the time to register.
- Due to the timing pads all swimmers must leave the pool by the side.

- Group leaders / coaches / parents / guardians are responsible for getting swimmers to the Marshalling area on time. If a competitor fails to arrive on time they will be withdrawn from their event and an opportunity to swim in the later heats will not be given.
